MESSAGE FROM THE DEPUTY PRINCIPAL: ACADEMIC, MS E DE BEER

It is normal for all of us, when we get to the end of the year, to reflect on the work done and the progress made in the past year. In an environment where we are driven by operational targets and strategic goals, measuring has become the norm.
Reflecting on your progress gives you a sense of purpose, especially once your goal is achieved, as this leads, in turn, to happiness and productivity. Learning from an unachieved goal means identifying the gap between where you are and where you want to be. If we can look back at a year and then measure what we have achieved and where we have shortcomings, then we are already planning for success in 2023!
Reflecting on your year will have the following advantages:

- **Purpose**

Reflecting on your progress gives you a sense of purpose, especially once your goal is achieved, as this leads, in turn, to happiness and productivity.

- **Improvement**

Learning from an unachieved goal means identifying the gap between where you are and where you want to be. It gives you an idea of what you need to do to improve in the future.

- **Effectiveness**

Taking time out of your schedule to set objectives can be extremely beneficial eventually, as it will allow you to better plan your tasks and find the best and most effective ways to complete them.
Goal-setting is one of the many ways that can help you reflect on your progress in your professional and personal life. This reflection exercise, in turn, can help you achieve success and a richer sense of fulfilment and purpose.

As an educational institution, Vuselela TVET College's staff, students, council members and stakeholders must always strive towards the next target, the next goal, the next achievement. Only by striving to do better, to do more, to achieve more will we be able to reach our goals.

"You should set goals beyond your reach so you can always have something to live for."
Ted Turner

NEWS FROM BUSINESS DEVELOPMENT AND INNOVATION: DR IBB SHOLE

Fourth Industrial Revolution (4IR)

The African proverb goes "*Until the lion tells his side of the story, the tale of the hunt will always glorify the hunter."* With that being said, the college has a good story to tell.

Our mandate as a TVET College is to provide quality training and to ensure sustainable skills development. The College embarks on skilling and re-skilling staff, and developing young people and adults with the essential mid-level skills to contribute to economic growth. The focus on training the unemployed youth is motivated by the fact that young people are the biggest cohort of new job seekers and are therefore the most vulnerable group with regard to unemployment. Within this context, unemployed youth refer to those who are available for work and are looking for work, but cannot find paid work.

We are mindful of the fact that educational researchers highlight limitations of the TVET Colleges curriculum, which is not responsive to labour markets as there is a mismatch between what the colleges offer and what the markets demand. This cannot be ignored, and therefore the college, in partnership with EDTP SETA and DHET, embarked on enhancing the curriculum with 4IR programmes.

That being said, the Department of Higher Education and Training (DHET) and Education and Training, Development Practice, Sector Education and Training Authority (ETDP SETA) signed a memorandum of agreement (MoA) in 2021 to implement 4IR programmes in ten (10) selected TVET Colleges; Vuselela TVET College being one of the chosen few.

The College conducted advocacy on all its campuses in order to obtain input pertaining to the implementation and management of this project. The College Project Operations Committee (POC), consisting of the following members, was established:

Name	Designation
Ms Priscilla Lehoko	Principal
Ms Tebogo Moremoholo	HOD Fundamentals
Ms Christinah Sebolai	HOD Business Studies
Mr Kabelo Letshaba	HOD Business Studies
Mr Xolile Mpendukane	HOD Engineering Studies
Mr Mootenyana Selogiloe	HOD Engineering Studies
Mr Barbra	ISRC President
Mr Mpho Kgadubane	Head of Administration
Ms Elsabê de Beer	Deputy Principal Academic
Dr Bogart Shole	Business Development and Innovation
Ms Kelebogile Tlale	Admin Assistant
Mr Teddy Mthimkhulu	Human Resource Manager

The College Project Operations Committee (POC) identified six (6) interventions:

1. Refurbishment of the 4IR Centre of Excellence: *Kitso - Botlhale*

The College, in partnership with Services Seta and the Department of Public Works, acquired a building at 74 Boom Street in Klerksdorp, which has been renovated and converted into a 4IR Centre of Excellence.

The refurbishment of the 4IR Centre of Excellence was motivated and driven by the need for improvement of the TVET College's technical capacity in delivering Industry 4.0 by training and exposing lecturers and students to 4IR training. The Centre is expected to improve the College's technical equipment and facilities in delivering Industry 4.0.

"Our goals can only be reached through a vehicle of a plan, in which we must fervently believe, and upon which we must vigorously act. There is no other route to success." - Stephen A. Brennan

Cloud technology
The College has appointed a MICT SETA-accredited service provider, I-Fundi, to train 20 administrative assistants in Cloud Technology skills programme. The training took place from 9 to13 May 2022. The staff members received certificates of completion.

Internet of things (IOT)
The training for 20 lecturers took place from 30 May to 3 June 2022. The I-Fundi service provider was appointed. The training was successfully completed and lecturers received certificates of completion.

Networking
In this intervention, the College appointed MICT SETA-accredited Code 2000 to train 20 Engineering lecturers and IT staff. The training kick-started on 6 June and continued until 10 June 2022 and was successfully completed.

Robotics
The staff waited for this training with bated breath. The training took place from 5 to 9 September 2022. Twenty Engineering lecturers and IT staff were trained. The lecturers were indefatigable amid the challenges posed by the training. Credit goes to the facilitator, Mr Dustin Marais, who kept the staff floating with his in-depth knowledge and skills. The staff were able to showcase their knowledge and skills in manipulating robots and confidently responding to questions during the 4IR Launch on 3 November 2022.

Fundamentals of Business and Systems Analysis
The College has appointed Wits School of Business to capacitate ten managers in the 4IR-inclined skills programme. The training was online and earmarked for

College senior management and middle management. It took place from 2 to 31 September 2022. The managers completed seven (7) modules and a summative assessment. Despite tight schedules, all the managers successfully completed training.
The College wishes to thank ETDP SETA for funding this initiative and for the immense and unfettered support throughout the implementation process. The College would not have achieved this had it not been because of the funding we received. Let me reiterate the motto of one of the brands, Liverpool Football Club: You Will Never Walk Alone. It is true, improving college capacity in terms of effective teaching and capacity building of staff and student development are not the sole responsibility of the college, but a collective effort that could be drawn from linkages and partnerships with professional bodies, industry associations, firms, or government agencies, in particular ETDP SETA. In conclusion, “the doors of learning have indeed opened and we shall continue to add more doors through which South Africans can move to a better life **“We have planted the seed” N Nxesi**

The Chairperson of Vuselela TVET College Council, Mr Lerato Gambu. In his opening remarks, the Chairperson postulates that the College should partner with various mining and agricultural houses, SETAs, and municipalities, to mention but a few.

"It is through public private partnership that the College would be able to develop and address critical and scarce skills in South Africa."

#4IRCentreLaunch #CentreofExcellence

Ms Priscilla Lehoko, the Principal of Vuselela TVET College, gives purpose of the day and an overview of the 4IR Project. She said that 4IR came at the right time at Vuselela College. She mentioned that they are ready for 4IR and already started with the implementation. Ms Lehoko told the delegates that 90 Lecturers have been trained for 4IR programmes.

"The Department of Higher Education and Training (DHET), together with ETDP SETA and Vuselela TVET College, is today launching the 4IR Centre of Excellence at Vuselela TVET College in Klerksdorp, North West Province. The DHET and ETDP SETA entered into an agreement in 2019/20 to establish 4th Industrial Revolution (4IR) centres of excellence.

The SETA provided funds that catered to ten TVET Colleges around the country. Each college is given the space and allowed to decide which focus of 4IR to specialise in."

The DHET Regional Manager for NW&MP Region, Dr Nick Balkrishen, shares his thoughts at the 4IR launch at Vuselela TVET. He explains how 4IR initiatives can impact on 'student access' and 'student success', which are core deliverables.

Dr Balkrishen also applauded the efforts of ETDP Seta who partnered with Vuselela TVET College to develop and equip the 4IR Centre. He emphasised the importance of partnerships to improve the efficiency of TVET colleges so that the *African Child* can receive education and training that is synonymous with excellence.

#4IRCentreLaunch #CentresofExcellence

Cllr James Tsolela, Executive Mayor of Matlosana Local Municipality, takes the stand to welcome delegates at the launching of 4IR Centre of Excellence.

#4IRCentreLaunch #CentresOfExcellence

The CEO of ETDP SETA, Mrs Nombulelo Nxesi, mentioned that the ETDP SETA funded the 4IR project at Vuselela TVET College with an amount of R4 000 000.

Most of the programmes have been implemented and completed. 'I would like to encourage the College to ensure that the 4IR Centre is utilised fruitfully to the benefit of the students and the community at large. “We have planted the Seed.” Mrs Nxesi .

#4IRCentreLaunch #Centre of Excellence

Ms Aruna Singh, Chief Director at DHET, delivered a keynote address at the launch of 4IR at Vuselela TVET College in Klerksdorp. Ms Singh stated that the Minister and the Department took seriously the line of march from the President and worked collaboratively with the ETDP SETA to roll out the 4IR concept at TVET Colleges in the country. She mentioned that 4IR is all about new solutions and new technologies that can provide new, better and faster solutions. “TVET has to respond accordingly by ensuring that it gets ready to train the potential industrial labour force and prepare them to fit into the industrial demands of the 4IR”. She added.

In her conclusion, Aruna appreciated the contributions from the ETDP SETA merSETA and other contributing partners. “We appeal to SETAs and business partners to embrace the call to support and work collaboratively with TVET Colleges to skill our nation”.

#4IRCentreLaunch #CentresOfExcellence

Message of Commitment by Mr Brian Zanazo, SRC President of Vuselela TVET College. He said that 4IR represents a new era of innovation in technology. “We as the students pledge to take care of the centre and uphold it with care and respect as we know this is not just for us but for our community as well”.

#4IRCentreLaunch #CentresofExcellence

Ms Kebaabetswe Nkate: Services SETA delivered message of support. “As Services SETA we are delighted for the launch of this 4IR Centre as it harnesses the interrelated skills development related to the Province needs and contribute to creating synergy in facilitating skills development. Noting that NW is predominately rural, affected by unemployment and poverty scourge. Such an innovation is a privilege, and we are optimistic that it is to change the livelihood of our people for the better. We are optimistic that the Centre would respond to the socioeconomic challenges we face as a Province to greatly contribute to the development agenda. The 4IR Centre must be able to assist our economic drivers, mainly agriculture, which contribute to food security. Let the 4IR Centre come up with mechanisms to curb stock theft, for example, teach our herds drone activation to monitor the stock, let there be training in the use of crop-spraying drones. Our tourism sector is imparting cloud system skills etc. We appeal to Vuselela College to encourage collaborative work with government entities to grow the Centre. Once again we congratulate Vuselela for such a huge milestone.”

VUSELELA TVET COLLEGE STUDENTS SCOOP 2 MEDALS AT WORLDSKILLS SOUTH AFRICA NATIONAL COMPETITION

Ms de Beer (Deputy Principal: Academic) with Mr Ramagogodi (chairperson: NW Provincial Artisan Development Steering Committee) and Mr Ramphele (College Council member) during the handover of blazers to all Vuselela participants of WorldSkills 2022

WorldSkills International, formely known as the International Vocation Training Organisation (IVTO), was founded in the 1940s and emerged from a desire to create new employment opportunities for young people in some of the economies that were devasted by the Second World War. The WorldSkills movement has become much more than just an international competition. The organisation is helping young people around the world change their lives through vocational skills. Emerged

Students from TVET Colleges participate in several competitions before a winner is announced. Firstly they compete in the specific College where they study. Thereafter the winners compete against the other 2 TVET Colleges in the North West Province. Students then emerged as provincial winners from the North West Provincial competition that was held in November 2021 in Rustenburg. These winners then took part in the national competition that was held in Durban, from 6 to 10 June 2022.

Vuselela TVET College is extremely proud of Gift Sereo and Katlego Popane, who won a Gold and a Bronze medal respectively at the National WorldSkills Competition.

The Gold Medalist, Gift Sereo participated in the Skill Area: IT Networking. He will now represent South Africa at the 46th International WorldSkills Competition which will be held from 12 - 17 October 2022 in Shanghai, China. Katlego Popane, the bronze medallist, participated in the Skill Area: Carpentry. These 2 students are based at Jouberton Campus and they participated in National competitions for the first time. Students don't take a completed project to the competition, but have to build and complete a certain task/project at the competition itself.

The 46th WorldSkills International Competition, hosted in Shanghai, China later this year, will feature over 1 600 competitors from more than 60 countries and regions, competing in over 63 skills.

WorldSkills competitions create a global platform to develop and help young people who want to change the lives and the fortunes of their communities and societies. Visit the official WorldSkills website for more information: www.worldskills.org.

Katlego Popane with his Bronze medal and Gift Sereo with his Gold medal

STUDENT SUPPORT ACTIVITIES

There was a capacity building workshop that was organized for the SRC members on 4 March 2022 at Parys. The ISRC members made an oath of office. From left: Mr Brian Zanazo (president), Mr Lucky Mbane (Deputy President), Ms Portia Schweni (Secretary general), Ms Tshepang Ntshonyane (Deputy Secretary General), Ms Kelebogile Olifant (treasurer), Mr Shandy Sefako (Academic and Transformation Officer), Ms Gugulethu Gase (Sports, Arts, Culture and Entertainment) and Mr Thabang Ngoako (Residence, Gender, disability and Public relations officer).

Mr Mere tlotlang, of Jouberton Campus, a Soloist will be representing the Province during the National Arts and Culture Competition that will be held in East London from 22-25 July 2022.

Mr Mxolisi, from Klerksdorp Campus, a poet, will be representing the Province in the National Arts and Culture competition that will be held in East London, on 22-25 July 2022.

Congratulations to the Graduates of 2022

Ms MD Mahlangu receiving the ABSA award from Ms P Lehoko (Principal Vuselela TVET College) and Mr M Nkotsi (ABSA Area Manager)

The Annual Diploma and Certificate Ceremony of Vuselela TVET College was held from 21 – 23 June 2022 at Vintage Affair in Klerksdorp. The College would like it noted how proud we are of the 775 students that graduated.

The National Certificate (Vocational) Level 4 was awarded to 210 students.
The CEO's trophy was awarded to the best NC(V) student, Ms MF Makaudi. She received this trophy for obtaining an average of 86% for the three years of study in Office Administration. A total number of 383 students graduated for the National N6 Certificate.

The ABSA award for the best Report 191 student was received by Ms MD Mahlangu. She obtained an average of 83% for the three semesters of study in Management Assistant. The following students were each awarded a floating trophy and a gift from Nedbank for obtaining the best results in the programme which they studied. They all completed their 4 subjects in Report 191 and 7 subjects for NC(V) in 1 examination session.

Business Management	MD Lemek	76%	Klerksdorp Campus
	S Phiri		
HR Management	KB Fouche	73%	Taung Campus
Management Assistant	MD Mahlangu	83%	Klerksdorp Campus
Marketing Management	KK de Jaar	72%	Klerksdorp Campus
Public Management	T Stuurman	80%	Potchefstroom Campus
Tourism	TE Pebane	78%	Potchefstroom Campus
Civil Engineering & Building Construction	M Khaba	71%	Jouberton Campus
Education & Development	KJ Selemogo	82%	Klerksdorp Campus
Hospitality	K Oepeng	71%	Taung Campus
Engineering & Related Design	TF Seakgwa	70%	Potchefstroom Campus
Finance, Economics & Accounting	MP Mabele	82%	Klerksdorp Campus
Office Administration	MF Madaudi	86%	Potchefstroom Campus
Primary Agriculture	D Mosweu	78%	Klerksdorp Campus

There were 102 students that completed their Trade Test and qualified as an Artisan in their specific Trade. 80 students received their National Diploma.
The College would like to thank our generous sponsors: ABSA and Nedbank!

VUSELELA HAVE UPGRADED OUR BMS TO ITS4.1

Above is the AdaptIT Project Team and the Vuselela Project Team: From left to right is Mrs J Williams – Assistant Director TVETMIS, N Tsolo – Senior MIS Official, E de Beer – Deputy Principal Academic, N Mchunu – Deputy Principal Finance (Acting), T Mthimkhulu – Assistant Director HR, A Witbooi – AdaptIT Consultant, M Welthagen – AdaptIT Consultant, M Titi – Assistant Director Finance, DJ Smith – Deputy Principal Corporate Services and N Dabideen – AdaptIT Project Manager.

Our BMS was successfully upgraded from ITS 3 to ITS 4.1 during June/July 2022. We managed to perform this process over a period of 5 weeks with the help of our Service Provider AdaptIT and the system went live successfully on 13 July 2022.

We are looking forward to utilise our system to its full potential and roll out new sub-systems that will allow students to register and perform general queries online, empowering themselves and that will alleviate pressure from our admin offices.

Vuselela were complimented by the AdaptIT Project Team to be one of the fastest and smoothest upgrades done with a TVET College. Go Team Vuselela!

NEWS FROM JOUBERTON CAMPUS

FROM THE OFFICE OF THE CAMPUS MANAGER: MR TS MASEMOLA

May I take this opportunity to welcome all staff members and old student back to campus in the new academic year, 2022. The past years have had their toll on us in Jouberton, and we pray that things be better in the new year. May I heartily welcome New students into the Great Jouberton Campus, and hope they do all the best they can to add value to our academic performance. Jouberton is well known in the College for its excellence in Academics and Sports. We wish to appeal to you to participate in all activities arranged and organised for students. I use an *open door* policy for students, through proper channels, being through your elected Student Leadership.

The following changes have been implemented in the Campus, through what is known as the PPN, nationally, and Vuselela has also been given its share as follows:
Mrs Baleni, who used to be Student Sport Academic, has opted to move to the Academic Division, as Senior Lecturer, leaving Rev Dintwe as the only Student Support Officer in the Campus.

Bursaries are now the competency of Ms Gadifele Kwena, who moved from Campus Finance. We have been blessed with the coming of Mrs KS Shuping, from the Corporate Centre to our Campus as, Head of Administration, and Mrs T Moremoholo, also from Corporate Centre as the new HOD for NC(V). Ms Lerato Mashiya moved from Student Support Admin to the office of the Campus Manager, as his PA.

We are happy and excited to announce and appreciate the Corporate Centre for finally implementing the "Entrance to the campus", project. Soon, access to the campus will be controlled for Safety and Security of both Students and Staff. We are looking forward to a bright year 2022.

ENJOY YOUR STAY AND WISHING YOU ALL THE BEST OF LUCK!

May I take this moment to welcome the following new staff members, who joined us in February

Mrs T Moremoholo and Mrs S Shuping both from the Corporate Centre

Ms Matshidiso Tokwe
Civil Engineering

Mr Justice Moshati Tjakotja
our former Top Class Student
Civil Engineering

New interns allocated to our Campus in March 2022, for the next 12 months

Ms N Gabonewe
Data Capturer

Mr OJ Mokhutsane
Data Capturer

Mr KO Koloi
IT Division

Ms SP Tladi
Administration

Mrs E Matras
Administration

Ms TP Ntasi
NSFAS

Ms NE Mogale
NSFAS

Student Support and Student Activities Athletics

After long 3-4 years of inactive student body, due to financial constraints and the monstrous Covid-19 pandemic, our students were greatly excited by the resuscitation of Sports Arts and Culture in the College. First was the Athletics season.

Even though our campus do not have enough facilities and some equipment, students used whatever they could lay their hand on to prepare themselves for the Athletics. We went to the Inter-Campus elimination, at McArthur Athletics field, at Potchefstroom with a great number of students, in both field and track events. Of the many athletes we took to the event, 47 got positions, 1-3 and were eligible to represent the College at the Inter-College eliminations, and 21 of the made the list to the Nationals, in Polokwane, Limpopo Province. At the Nationals, our college scooped a few medals, Silver and Bronze, and amongst them on Bronze was for, Tumelo Kadi, Discus, Men Under 23.

Even though we did not fair that well in Athletics, the spirit and moral was so high that they are getting themselves ready for the next year`s event.

WATCH THE SPACE!!!! JOUBERTON WILL BRING MORE INDIVIDUAL GOLD MEDALS, COME 2023.

Arts and Culture Activities

One other activity that saw the light in 2022, Arts and Cultural activities were also resuscitated. We came to realise that Jouberton Campus is abuzz with talent. The activities found expression amongst the students of this great campus. We took part in Choral music, Gumboots Dance, Freestyle, Drawing, Drama and Poem. At the Inter-campus eliminations held at Vintage Affair, on the 11th of June, as Jouberton Campus, we scooped all categories, except Male Poem. We got position 1 in all of the events, and thus qualified to represent the College at the Inter-College eliminations, in Taletso TVET College, organised at their Lehurutshe Campus, on the 18th June 2022. Due to information not given properly, we found ourselves wanting at the Provincials.

As a College, we only grabbed two events, being Male Poem, and Tenor Solo. Jouberton Campus prides itself with the Tenor Soloist, Tlotlang Mere. The two will be representing the North West Provincial Cosacsa at the Nationals, arranged for the 21st -25th July at East London, Eastern Cape.

Watch the space!!!! 2023 HERE WE COME. READY AND MORE VIGOROUS!!!!!!

Our Masonry students at work in the Civil Workshop

OUR STUDENTS, PARTICIPATED IN WORLDSKILLS COMPETITIONS IN DURBAN

Gift Sereo position 1 (ITC Student)
Letebele KS Position 6 (Masonry Student)
Popane Katlego Position 3 (Carpentry Student)

In Memoriam

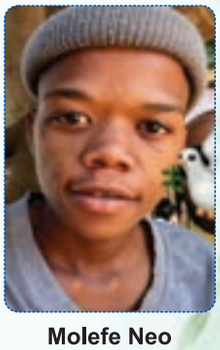

On a sad note, this year we experienced the demise of the following students:

Lucky Bambo
Civil L3

Mothusi Baale
Civil L4

Molefe Neo
Civil L4

NEWS FROM KLERKSDORP CAMPUS

FROM THE OFFICE OF THE CAMPUS MANAGER: MR EL KREELING

After nearly 12 years as campus manager of Matlosana Campus I moved to Klerksdorp Campus in October 2021 and was well received and quickly had to adapt to a new environment. With that said we started the year with a bang with Covid 19 impacting on our daily operations. With the announcement that the National State of Disaster has been lifted from 5 April 2022 we moved quickly back to normal mode.

I thus want to thank all the staff and students for the support and quickly adjusting to the new normal. There is lots of challenges awaiting the Campus but I am confident that with the support of management we will steer Klerksdorp Campus to new heights. The management of the Klerksdorp Campus wants to thank all staff members for their contributions, effort and hard work during this difficult year.

Your contribution to changing the lives of those entrusted to your care is highly appreciated.

To the students, good luck! You will shortly know whether you have a good return on your investment.
Please enjoy the festive season and holidays responsibility with your families. Relax and rest well and come back invigorated for 2023.

The Annual Academic Year Opening of Klerksdorp Campus was held on Thursday, 9 February 2022 on campus. The event was attended by all staff members and students of the campus. The aim was to introduce the Campus Manager, Management and staff members to the students before the start of academic year.

Retirement

On Thursday, 28 April 2022, Klerksdorp Staff members held a farewell function for Mrs E Smith, who retired, after many years of outstanding service in Education. She taught mainly Information Processing and Financial Accounting. The celebration breakfast was held at Coobah restaurant. The Management, staff and students would like to take this opportunity to wish her well for the future and in all endeavours, she will enjoy during her retirement. We will sincerely miss her.

NSFAS NOTEBOOK PROJECT HAND OUT

On Friday, 25 February 2022 Pinnacle Warranty came to Klerksdorp Campus to hand out NSFAS Notebooks for NSFAS deserving students. Ms MP Olifant oversaw handing out the notebooks with assistant of the CSRC members. There was a long queue of students who were ready to receive their notebooks.

Silent Cancer Awareness Campaign

Administration staff supported the Awareness Day

Management team at Awareness Day

Breast Cancer Awaremess

On Thursday 27 October 2022 staff members dressed in pink to celebrate cancer awareness day to pay tribute, support and honour Miss Pinny Zuze, breast cancer survivor, and those who have lost family and friends to the disease. A candle was lit for those who are suffering from the disease, followed by a prayer.

"Breast cancer is not just a disease that strikes at women. It strikes at the very heart of who we are as women, how others perceive us; how we perceive ourselves; how we live, work and raise our families - or whether we do these things at all".

HIGHER HEALTH ACTIVATION & DIALOGUE CAMPAIGN

Klerksdorp Campus organises activations quarterly. It is hosted by Higher Health (CHWC). Ms RY Masoetsa is in charge and is assisted by Peer Educators. The intention is to render an outreach service of wellness to the students, supported by the Department of health and SHOUT IT NOW. The aim of this intensive care service is to minimise health related issues encountered by the students so that it will not affect their academic performance.

We were grateful to see the students of Klerksdorp Campus queuing for Covid 19 Pandemic vaccination during this awareness campaign. It simply shows that our students are taking their health into consideration.

New Staff

Klerksdorp staff members and students had a pleasure to welcome the new Campus Manager Mr E Kreeling, after Mrs E de Beer had been appointed at Corporate Center as Deputy Principal: Academic.

The following staff members were also welcomed on campus. We hope that they will enjoy working with us at Klerksdorp Campus.

Mr B Takang
Mathematical and Accounting Lecturer

Ms B Masondo
Head of Administration

Ms D Zenzile
General Assistant

★★ STAFF ★★ ACHIEVEMENT

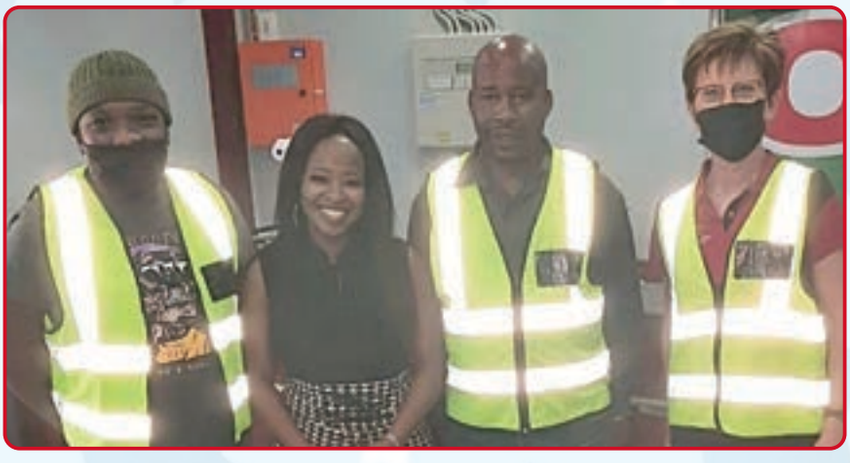

Klerksdorp staff would like to congratulate Ms M Motoai who obtained a Post-Graduate Diploma in Tertiary Education (UNISA) and Mrs M Christmas for obtaining a Bachelor of Education (Senior and Further and Training Phases) Degree (UNISA).

WHOLESALE & RETAIL WORK BASE EXPOSURE TRAINING

On Monday, 14-18 March 2022 all Wholesale & Retail Lecturers went for training at Choppies Distribution Centre in Gauteng.
The aim was to get practical work base exposure. The practice required the lecturers to be fully dressed in work attire, including Green Reflectors and Safety Boots.

Mr Moguera, Mr Mdau and Mrs Janse van Rensburg at Choppies Business Centre in Gauteng.

Educational visit to Johannesburg

N6 Public Management students went on an educational trip to Johannesburg on Friday, 1 April 2022. The aim of this trip was for students to learn more about the history of our country.

On arrival, the first destination was to the **National Apartheid Museum** which is situated very close to the well-known Gold reef City. Students and lecturers took more than an hour walking around the museum to learn more about apartheid and the current situation in our country. This is very beneficial and informative for every South African. It was very interesting as most of the history is aligned to some of the topics that students learn in class.

The second destination was to **Soweto, Orlando-West,** the International recognised **Vilakazi Street.** The tour guide gave them a bit of history on the late Former **President Nelson Rholihlahla Mandela**.

The third and last destination was to the **Hector Peterson Museum,** where students learnt a lot about Youth Day (16 June) and how student movements started in Schools, colleges and universities around the country. It was a valuable educational and informative trip and students expressed their gratitude to lecturers for such a pleasant opportunity. Lecturers are looking forward to more educational trips in future, so that students can get more interested in their respective subjects.

NETBALL GAMES AT KANANA

On Saturday, 21 May 2022 Klerksdorp Campus Netball Team was invited for a friendly game against Netbreakers Netball Team. It took place at Are-Fenyeng Primary School in Kanana.

National Athletics Games

Klerksdorp Campus is proud of Miss T Cweli who won a silver medal in the National Athletics competition that was held at the Peter Mokaba Stadium in Limpopo from Thursday, 7 to 10 April 2022.

MEN-TO-MEN IMBIZO

During April 2022 Mr Mzolisi Matundu (Klerksdorp Campus Peer Educator), hosted a Men-to-Men Imbizo in collaboration with Aurum, a leading healthcare institution. This Imbizo's aim was to minimise stigmatizing HIV Male testing as well as creating general health awareness in men.

INTERCAMPUS ARTS & CULTURE COMPETITION

On Saturday 11 June 2022, Mr Matundu, obtained the first position in a Poetry competition during the Inter-campus Arts & Culture competition, held at Vintage Affair. Klerksdorp Campus is proud of this peer educator.

ARTS AND CULTURE POETRY COMPETITION

Mrs M Olifant, SSO and Mr M Matundu N6 Business Management student went for the National Arts & Culture Competition that was held in East London, hosted by Buffalo City TVET College. On Friday, 23 July 2022, Mr Matundu achieved second place in poetry, bringing home a trophy and two silver medals. He competed at the College Sports Arts and Culture, South Africa. He was the only student that represented Klerksdorp Campus as the North West team in the Poetry category.

Mr Matundu is thankful to Vuselela Senior Management, staff and students who throughout this journey offered their support. On his way back, he was escorted by two buses of students from Taletso and ORBIT TVET College who were part of the North West Team. He was welcomed by songs and dancing of praises by students and staff who gathered at the campus entrance gate and were eager to congratulate him.

Mr Thejane, Ms Motoai and Ms Zuze, who delivered food and clothes to Ms Duiker at the orphanage.

MANDELA DAY

On Tuesday, 19 July 2022 some of Klerksdorp staff members visited Mrs Duiker's Orphanage in Kanana Township.

The staff contributed money for Mandela Day celebrations and bought groceries and clothes that were donated to Mrs Duiker's Orphanage.

The children and the family of the orphanage were grateful to receive the donations during this financially difficult time. The Mandela Day Committee would like to thank each and every one that has made a contribution so that this day could be a success.

May the Good Lord bless every hand that made an effort abundantly.

Marketing NC(V) Students ISAT'S

On Thursday, 11 August 2022, 12 groups of the Marketing NC(V) classes participated in a display of a product of their choice. Students were assessed and asked questions by their lecturers on their product knowledge. As can be seen from their photos, it was colourful and very well executed.
Well done L2 Marketing students.

MARKETING NC(V) L4 EXCUSION TO CALLAGHER CONVENTION CENTRE

On Thursday, 15 September 2022, L4 Marketing students progressing from L2 to L4 Marketing, attended an excursion in Midrand, Johannesburg. Accompanied by their lecturers, students visited the Gallagher Convention Centre. The Graphic Print and Sign Expo was held and this suited their marketing knowledge. The students could very well identify with the displays and promotional materials being exhibited. They enjoyed the day and were thankful for the opportunity.

Mrs Mendes and Mrs Mpeta at the finish line after completing the 5km Fun Run at Correctional Services

Annual Interdepartmental Spring and Wellness Day

On Friday 16 September 2022, Klerksdorp staff members participated in various activities that were held at Correctional Services. Starting from the Campus Manager, most of the academic staff and support staff participated in the event. There were various activities such as Fun Walk, Aerobics and many other sports activities that were held on the day.

Ladies Soccer Team

Klerksdorp staff and students are proud of the ladies soccer team and their Coach for their hard work after they won the provincial games that were held in Rustenburg at Mankwe Campus. The team will be representing Vuselela TVET College at the Nationals.

LECTURERS' APPRECIATION DAY

On Thursday 27 October 2022, Klerksdorp Campus held a lecturers' appreciation function. The aim of the function was to acknowledge and appreciate lecturers who offer R191/NCV programmes. Lecturers received certificates and a coffee mug to show appreciation. The function was held at Coobah restaurant and the lecturing, as well as support staff, enjoyed the lunch.

Klerksdorp Girls Netball Team

Klerksdorp Campus
Ms N Lolwana, the coach of the ladies' netball team and the players who were victorious after they won at Potchefstroom to represent Vuselela TVET College at the Provincial tournament, which was held at Rustenburg.

CAMPUS WELLNESS DAY

On Friday 2 September 2022, the Campus staff members had a fun walk for wellness in which they walked two rounds outside the campus as planned by the wellness committee for the year 2022.

Condolences

The heartfelt condolences of Klerksdorp staff and students to Mr Ernest Mafabatho and family for the loss of his child. The pain of losing a loved one is unbearable. May the Lord comfort you and strengthen you during this challenging time.

ACKNOWLEDGEMENT

Miss Pearl Boitshwarelo Gabobidiwe was an Admin Clerk on a voluntary basis for many years at Klerksdorp Campus. She studied Human Resource Management while working at the Campus. She obtained N6 Certificate and has been appointed at Tusk Rio as a Human Resource Intern. The Campus want to thank Miss Pearl Gabobidiwe for meticulous work. We deeply appreciate everything and want to thank her for making a valuable contribution to the campus team. Our best wishes for her future endeavours accompany her.

NEWS FROM POTCHEFSTROOM CAMPUS

FROM THE OFFICE OF THE CAMPUS MANAGER: MS N MOFULATSI

“Education is about empowerment, about the cultivation of a human being to the highest possible potential – a tool for fulfilling the immensity of being. Sadhguru TVET colleges have been established as a means to supply mid-level skills and that is why one of the strategic goals of the DHET is to produce 30 000 artisans by 2030, as per NDP goals. In order to contribute towards the achievement of this goal, we ensure that we improve our pass rate across all programmes we offer on campus. Most importantly, we ensure that we enrol students in programmes that are listed on the critical scarce skills list according to the Department of Home Affairs.

“Encouraging youths to be creative is preventing so many unhealable disasters out there in the world; a writer, for example, will focus on their writing, a poet will do their poems, just like a sculptor or musician – always finding ways to be the best in their craft. An idle mind is the devil's workshop, but a creative mind is a gold mine! (Daniel Derrick Mwesigyehe). That is why we encourage our students in activities that empower them and improve their lives.

We are proud to announce that one of our R191 Civil Engineering students participated in the World Skills Competition – a provincial competition that was held on 18 November 2021 at Orbit TVET College. Without the practical experience of the NC(V) students and learners in Centres of Specialisation, Lesego Sebogodi managed to obtain the second position. He believed in the saying: “You are braver than you believe, stronger than you seem, and smarter than you think.” Christopher Robin. It clearly shows that where there is a will, there is a way. Regrettably, due to Covid-19 restrictions in numbers, Lesego could not compete in the national World Skills Competition in Durban. We would like to congratulate him on this great achievement. We believe this is just the beginning of great things to come from him.

We are also proud to announce that Pebane TE is the best academic achiever for Tourism N6 with an average of 78%. MF Makaudi, who is now enrolled for Management Assistant N4, is the best academic achiever for Office Administration, with an average of 86%. These students passed all four and/or seven subjects they enrolled for in one examination sitting for the time studied. We wish them success in their future endeavours.

A big thank you to NISSAN South Africa. Their main focus is the advancement of an integrated motor industry. They have donated four engines, one complete toolbox, one differential assembly 8-litre and one diesel engine block to the college. The engines are going to be used by our Engineering and Related Design students. South Africa is one of the founding members of the Africa Green Hydrogen Alliance, which seeks to promote continental green hydrogen cooperation. The donation came at the right time when the global world is preparing itself for a green economy. Our students will be part of this innovation as they will be prepared for the green economy.

My life's philosophy is to beat the odds and achieve your goals. We encourage you, our students, to stay focused and never allow obstacles to prevent you from achieving your dreams. BB King once said: “The beautiful thing about learning is that no one can take it away from you”. You, therefore, have to work hard to ensure that you get your qualifications and go out there to follow your dreams. Every day, do something that will bring you closer to the achievement of your goals. Your examinations have already started. You will only succeed in your examinations when you prepare for it today, if you have not started yet.

To our staff members, support and academic, you are all greatly appreciated. Your contribution to the success of our students is invaluable. “Let no feeling of discouragement prey upon you, and in the end, you are sure to succeed.” Abraham Lincoln. Let us see the challenges we experience on a daily basis as an opportunity to make us stronger as a team. Remember, “we don't grow when things are easy, we grow when we face challenges.” Joyce Meyer.

“As we let our own light shine, we unconsciously give other people permission to do the same” 'Nelson Mandela

We are also proud to announce that TE Pebane is the best academic achiever for Tourism N6 with an average of 78%. TE Pebane passed all 4 subjects in one examination seating for the time studied. MF Makaudi who is now enrolled for Management Assistant N4 is the best academic achiever for Office Administration with an average of 86%. She also passed all 7 subjects in one examination seating for the time studied. We wish them success in their future endeavours.

Life's philosophy is to beat the odds and achieve your goals. In addition, we would like to encourage you our students to stay focused and never allow obstacles to prevent you from achieving your dreams. BB King once said: "the beautiful thing about learning is that no one can take it away from you".

You therefore have to work hard to ensure that you get your qualifications and go out there to follow your dreams. Every day do something that will bring you closer to achieving your goals. Your examinations have already started. You will only succeed in your examinations when you prepare for it today.

To our staff members, support and academic, you are all greatly appreciated. Your contribution to the success of our students is invaluable. "Let no feeling of discouragement prey upon you, and in the end you are sure to succeed." Abraham Lincoln. Let us see the challenges we experience on a daily basis as an opportunity to make us stronger as a team.

Remember "we don't grow when things are easy, we grow when we face challenges." Joyce Meyer.

WORLDSKILLS PROVINCIAL COMPETITION FOR BRICKLAYING SKILLS NOVEMBER 2021

Potchefstroom campus represented by Mr Dambaza (left in helmet) as the campus expert and Lesego Sebogodi bricklaying competitor.

Guest speakers at the motivational session, from left: Ms Makapela (former Tourism student), Ms Socoza, Mr Mabunda, Mr Tlhobolo, Mrs Memane and Ms Malefo.

Guest speakers and park rangers from Boskop Dam.

MOTIVATIONAL SESSION FOR TOURISM STUDENTS

On the 31 March 2022, tourism lecturers hosted a motivational session for all the tourism students at Potchefstroom campus. The aim of this session was to motivate students and broaden their knowledge about the tourism industry.

Different stakeholders from the tourism industry were invited, as well as former tourism students that are currently involved in the industry.

The guests included, North West Tourism Board, Boskop Dam, Injula Tours, Lotlametswe Guest House and 3T Business Fusion. The event was a huge success and students took a lot from it.

Tourism students gathered at Potchefstroom campus hall for the motivational session.

SOCIAL TOURISM PROGRAMME

Tourism N6 students with their lecturer (in a white t-shirt, Ms Dzinavatonga) at Magalies Park Golf Club.

On 11 – 12 February 2022, the Department of Economic Development, Environment, Conservation and Tourism in the North West province, invited Vuselela Tourism lecturers as well as N6 students to be part of their annual Social Tourism Programme. This was an overnight trip and we visited Hartbeespoort and Magaliesburg. The student's visited different attractions and were involved in variety of activities including, horse-riding and quart-biking. It was a great opportunity for them to experience the practical side of what they are taught about in class/syllabus.

Tourism N6 students doing horse-riding at Harties Horse Trail Safaris.

The Tourism Department was invited to a district engagement workshop, which was organised by the Women in Tourism chapter of the North West Province. It was a really good and informative workshop.

Tourism lecturers: Mrs Dzinavatonga, Ms Mokaleng and Mrs Tyatya

Tourism lecturers (Ms Mokaleng and Mrs Tyatya) quad-biking.

Tourism students were invited to the district tourism launch at Dan Tloome Gardens, JB Marks Municipality in Potchefstroom. Students were exposed to different tourism products and stakeholders. It was a great networking session.
Mr Elisha, Mr Molaodi, Mr Mvubu, Ms Tyatya, Mr Dikgwathle and Mr Makgopa

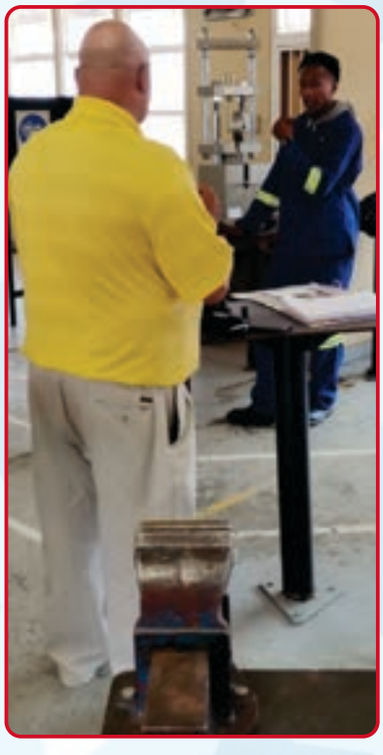

Tourism students during the Vredefort nature tour

Ms Selebano and Ms Ramekwa and our former Tourism students, networking with the current ones.

Tourism Month Launch

The Tourism Department was invited to a Tourism Month Launch in Vredefort, at Stonehenge. N5 students were able to grace this occasion. The province was launching the tourism month, with the mandate from the National Department of Tourism. Our students were able to network with stakeholders and gained valuable information.

VISIT BY UMALUSI

Mr N Daniels, an ERD level 3 student, giving a convincing explanation and demonstration to an UMALUSI official, Mr Scheepers, on Thursday, 20 October 2022. UMALUSI was assessing the conduct of ISAT and PAT (practicals) on the Potchefstroom Campus to see whether all guidelines are followed and adhered to, according to the set standard. Next to Mr Daniels is a Brinell Hardness Tester, one of the modern equipment used to test the hardness of metals.

In Memoriam

In loving memory of Cornelia, Gertruida Van Niekerk who passed away on 20 June 2022. We will miss her hard work and commitment to doing what is right. Her life was a blessing to us and her students. Her physical presence is gone, but the lessons she taught us in life and while courageously fighting her sickness will serve us well for many years to come. She will be sorely missed.
